Notice Regarding Appointment of a New Chairman

We hereby announce that during the Board of Directors meeting held today, Datasection Inc. (hereinafter referred to as the "Company") resolved to appoint Mr. Pablo Casado (hereinafter referred to as "Mr. Casado") as the Chairman of the Company, effective the same day. This decision was made to strengthen our management structure and enhance business profitability.

1. Purpose

Currently, the Company is preparing for the operation of AI data centers and AI cloud services, as outlined in its new strategy. This business strategy is not limited to Japan but also considers global expansion, particularly in Europe.

In recent years, various European nations have accelerated the adoption of AI in response to heightened geopolitical risks.

By welcoming Mr. Casado, the former leader of Spain's People's Party and operator of Hyperion Fund FCR, established in January 2024 with a focus on security and AI, we anticipate significant contributions to the collaboration and promotion of projects in various countries. Mr. Casado's involvement is expected to strongly support the execution of the Company's new strategy.

Please note that Mr. Casado does not qualify as a director of the Company.
